

<b>Professionals' perceptions of the G-Educainflamatoria website (n = 95)</b>				
Score, from 1 to 5, the importance that you attach to having such as an educational resource as G-Educainflamatoria to recommend to your patients (n=94)				
1	2	3	4	5
0 (0)	0 (0)	1 (1.1)	15 (16.0)	78 (83.0)
Score, from 1 to 5, the importance that you attach to G-Educainflamatoria for integrating the quality attention that you routinely provide in your hospital activity (where 1 is "not very important" and 5 is "it is very important")				
1	2	3	4	5
0 (0)	0 (0)	0 (0)	4 (18.9)	77 (81.1)
Express, as approximate percentage, the way you usually recommend G-Educainflamatoria to your patients (all percentages must add up to 100%).				
				Mean (SD)
I recommend it to newly diagnosed patients				52.7±26.5
I recommend it as a resource designed to increase knowledge on questions asked by my patients or things I think they should know, and I refer them to the section they should look up.				20.2±12.6
I routinely include the website link for informational purposes in hospital discharge summaries				4.6±6.4
I "prescribe" it in my routine visits as a recommended website to most of my patients				22.7±17.8
I distribute the website leaflet only to patients who ask where they can get more information				11.7±17.3
Give an approximate estimation of the proportion of patients to whom you have already recommended the website or given the website leaflet				67.0±25.2
Would you recommend G-Educainflamatoria and its leaflet to another IBD unit which does not currently participate in the project? Score from 1 to 5 (where 1 is "I would not recommend it at all" and 5 is "I would certainly recommend it")				
1	2	3	4	5
1 (1.1)	0 (0)	3 (2.1)	4 (16.8)	76 (80.0)
How would you qualify the information offered by G-Educainflamatoria? Score from 1 to 5 (where 1 is "very poor or of low quality" and 5 is "high quality")				
1	2	3	4	5
0 (0)	0 (0)	1 (1.1)	4 (21.1)	74 (77.9)
Score from 1 to 5 the ease of understanding of the information in G-Educainflamatoria (where 1 is "very difficult to understand" and 5 is "very easy to understand")				
1	2	3	4	5
0 (0)	0 (0)	4 (4.2)	30 (31.6)	61 (64.2)

<b>Professionals' perceptions of the G-Educainflamatoria website (n = 95)</b>				
Score from 1 to 5 the importance of having an online forum allowing patients to ask specific questions that they are worried about (where 1 is "It is not important" and 5 is "It is very important")				
1	2	3	4	5
0 (0)	0 (0)	11 (11.6)	33 (34.7)	51 (53.7)
